A Note concerning your Lap Times

Thank you for attending the club's Winter Track Day and helping to make it a safe and enjoyable day. The conditions for this year's event were excellent compared to what we have sometimes encountered at Winton. It is hard to argue with a dry track, some blue skies and intermittent sunshine for a good part of the day, albeit there was a cool breeze to . We trust you enjoyed the experience and achieved your objectives for the day.

The Club uses a computer based timing system to record the times of drivers at its track days. For this event Greg Aimers was as usual Chief Timekeeper. Our thanks to Greg for the splendid job he did, single-handed, on the day.

The club timing system although computer based, requires Greg to identify each car by its pre-assigned competition number and then enter that number to match the specific time we have recorded. Errors, where they occur, usually relate to the *visibility* of the car number. It is for this reason the Club introduced in 1997, the competition number system you were provided with on the day. The system ensures numbers are consistently presented and easy to interpret. For this to work the timing crew must be able to identify the number of a given vehicle as it crosses (at high speed) in front of them at the timing tower. Traffic, may sometimes obscure a vehicle. Not helping the situation is poor placement of the number on the car. Combinations of these factors can lead to:

- a vehicle being missed on one lap, but being picked up on another lap. This may lead to two laps being reported as if it were one lap.
- a vehicle whose number is obscured may be mistaken for another similar vehicle on the track at the same time. Where this is identified we discard the inappropriate time and record 'nt' or not timed in the times attached.

As in all such systems some error is inevitable. However an inspection of the results shows that of the 1038 laps recorded, there only two errors on Sunday. **Incidentally, if you forgot to return your number after the event, we would be very appreciative if you returned it by mail.**

A few times were missed during the morning practice sessions. Drivers sharing a vehicle should be aware, as pointed out in the Supplementary Regulations, times are attributed to the club number displayed on the vehicle. If you failed to ensure your number was on the vehicle during your session, then your times will be attributed to the other driver sharing the car.

A copy of this booklet, as well as others containing the results from similar events the Club has run since 1995, can be downloaded from the "Quick Access" page on the Club's website at www.maserati.org.au. Some members find this of use when comparing performances over time.

We trust you had a great day.

Special Thanks!

Every track day requires a team effort. Maserati Club track days are no different. Our thanks to St John Ambulance for their attendance and participation. Special thanks in particular are due to the following club members who gave up their time to help out as officials and ensure the Winter Track Day was a safe and successful event.

Greg Aimers	Chief Timekeeper	Tim Shepherd	Scrutineer
John Aust	Clerk of Course	Imogen Smith	Flag Marshal
Brian Canny	Scrutineer	Chris Stephen	Steward
Stephen Canny	Scrutineer	Donna Stephen	Administration
Steve Coad	Scrutineer	Chris Tarrant	Photographer
Jack Klaver	Chief Scrutineer	Nick Whitta	Pit Marshal
Heinz Schluter	Flag Marshal		

Maserati Club Track Events in 2008

The Winter Track Day was the club's third track day for this year. There are two remaining club track day events scheduled for 2008:

Sunday, August 17, 2007	Trident Track Day at Sandown - a CAMS sanctioned event.
Sunday, October 28, 2007	Annual Spring Track Day at Sandown - CAMS sanctioned event

The Entry Forms and Supplementary Regulations for both of these events can be access from the 'Quick Access' page of the club website. Members of the Club have also been invited to attend track days organised by other clubs. Details of these events and others may be accessed, when available, via the 'Quick Access' page on the club website at www.maserati.org.au
